Cemetery Preservation

Columbia, SC – April 12-13, 2011

Learn how to begin a cemetery preservation or restoration project and how to help ensure that sound choices are made to avoid harming what you seek to protect. Discussions focus on current issues in cemetery preservation, such as recording and documenting cemeteries and graveyards, undertaking preservation efforts, and exploring conservation techniques and issues. An agenda is available online at [www.npi.org](http://www.npi.org).

Instructors. Debi Hacker, conservation administrator of Chicora Foundation, Inc., and Michael Trinkley, Ph.D., director of Chicora Foundation, Inc., a nonprofit heritage preservation organization specializing in research, public education, conservation, and preservation for museums, archives, and historic organizations.

Cemetery Landscapes: A Practical Guide to Care and Maintenance

Columbia, SC – April 14, 2011

Learn how to protect historic cemetery landscapes, preserve integrity of design, and safeguard tombstones and monuments while pursuing a practical outlook on maintenance and budget concerns. Explore approaches to caring for softscapes, or plantings, and hardscapes, including roads, pathways, and benches. Discuss effective pruning and cutting techniques, and when chemicals and heavy equipment can be safely and productively used. Review the basics of short- and long-term preservation plans. An agenda is available online at [www.npi.org](http://www.npi.org).

Instructor. Debi Hacker
