Periodic Mailing from the
South Carolina State Historic Preservation Office
Review and Compliance Division
September 2012

- 1. Staff Changes**
- 2. Website Updates**

1. Staff Changes

The SHPO is saying goodbye to Dr. Jodi Barnes, who has worked hard for us over the past couple of years as the staff archaeologist and GIS coordinator. We wish her well in her next endeavors.

At this time, the SHPO will be without an archaeologist on staff. All phone calls and e-mails that would normally be directed to Jodi should be directed to Rebekah Dobrasko, (803) 896-6183 or dobrasko@scdah.state.sc.us. Please have patience with us during this time of transition.

We currently have two job openings in Review and Compliance available at the SHPO:

[Review Coordinator for Transportation Projects](#) (Closing date is September 30, 2012)

[Archaeologist II/GIS Manager](#) (Closing date is October 15, 2012)

2. Website Updates

More information continues to be posted on our website! We have recently updated our Mitigation page (<http://shpo.sc.gov/programs/revcomp/Pages/mitigation.aspx>) to highlight examples of historic property mitigation. We have also included a list of archaeological data recovery reports reviewed by our office over the past decade.

We have updated and refined the Directory of South Carolina's Local History, Historic Preservation, and Cultural Organizations. These organizations may be interested parties in Section 106 consultations, or may have information on local history to consider when planning federal and state projects. The updated list can be found here: <http://shpo.sc.gov/pubs/Pages/default.aspx>, under "Directory."
