**Subject:** Notifications to Native American tribes in South Carolina

Ms. Johnson,

Thank you for speaking to me last week regarding my tribe's request to be added on any notification contact list maintained by your office. On behalf of my tribe, Pine Hill Indian Tribe, I would like to be added to the contact list as an interested party for notifications on federal or state undertakings involving cultural sites and/or properties.

My email address is pinehillndn@yahoo.com. My mailing address is Chief Michelle Wise Mitchum, 4055 Coburg Lane, Orangeburg, South Carolina 29115. My telephone number is (803) 747-5069.

My tribe is not state or federally recognized but we are acknowledged by both. Considering the SC state recognition process has proven to be flawed by a number of factors, and considering the State recently found no confidence in the SC Commission for Minority Affairs agency that handles the process of recognition, we are proud that we decided against recognition and that our acknowledgement comes from the US Department of Defense, specifically Fort Jackson in Richland County, South Carolina.

I ask that please let me know of any current undertakings as well as any future undertakings.

Blessings,

Chief Michelle Wise Mitchum
